3rd International CIK Cell Conference

Advances in CIK cells immunotherapy

Location: Tianjin, China **Hybrid event** **October 17, 2026**

Dear Members,

We are delighted to invite researchers, clinicians, and students working in oncology and cancer immunotherapy to participate in the International CIK Cell Conference 2026.

This exciting event will be held in conjunction with the 14th National Biotherapy Conference in Tianjin, China, (October 15 – 18, 2026) bringing together leading experts and emerging scientists from around the world to exchange ideas and discuss the latest advances and future directions in biotherapy and cancer immunotherapy.

More details coming soon – stay tuned!
